

Woodland Birthday Parties at The Nature Hub

an idea of the day:

- 20min for-arrival with welcome games
- 1/2hr-45min nature crafts: Making *nature flags* with flowers and plants and *using clay* to make forest creatures.
Each child will get to make the 2 crafts and take them home.
- 1/2hr: *preparing the fire* area together and each child will get to use the flint and steal. Over a story the fire will be lit.
- 1/2hr: making smores over the fire. This will be provided.
This could also be the chance for other food to be served.
Most parents order pizza or nuggets from Kate Kearneys pub which is just up the road.

Parties are for 2 hours

Minimum children is 10 and max is 15.

Cost is €15/child.

There will also be tree swings, hammocks, ropes, mud kitchen and lots of space for their own free play
